And here is Djwhal Khul's latest Spirituality Article, information complimentary every Thursday:

(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. A very important week because we have Jupiter, which is currently retrograde, aligning with Mars. It's going to be very interesting because Mars will be in Aquarius, Jupiter in Gemini retrograde. Much like the song, "Aquarius... let the sun shine in."

It welcomes in the possibilities of love and harmony and a complete different use of Mars energy than previously conceived.

So we can usher in quite a bit of feminine energy. We will be doing a Teleseminar on that day of alignment, January 4, called "[Jupiter Aligns with Mars](#)". That will be available live, recorded, transcribed as usual.

Now we also have Venus moving into Capricorn which is another big marker of what's going on in this time period. So the Venus energies hitting that Capricorn can be quite interesting.

I am also going to note that I pick up a lot of Neptune energies or watery energies. Maybe issues with rain and snow or other liquids. It can even be balance of fluids in the body for example. So highly watery and very psychic time as well.

For psychic protection I do suggest the flower essence like yarrow. You can also work with a multi-level protection blend, that one is from [Sonoranlight.com](#) or you can try any number of other things that you have. Maybe a protective pendant, etc. or do energy work before you go to sleep at night. That sort of thing.

Alright Dear Ones. As always, thank you and my love to you.
