And here is Djwhal Khul's latest Spirituality Article, information complimentary every Thursday:

(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. This week we have Jupiter going direct in Cancer. It does so at 2:42 am Pacific Time or so on March 6. I want to work with the vibratory fields of Jupiter because this is an opportunity to expand the wheel of fortune or expand the financial area. It can also be expansion of Love and home. And you can have all of them. You don't have to choose just one.

So let's invoke our dear friend Jupiter, a very expanded sensation and feeling. (Pause). Good.

Alright. Only holding the nose on the channel because she's got some pollen in the air that is a little tickling in the nose. It's not part of a technique or anything.

I also want to suggest that you work with the 3rd Eye center, very strongly so. You might feel like your 3rd Eye gets bigger than your head for example and that you're a beacon of expansion.

So the keywords are "expand, expand, expand" because I like the energies and placement. I am going to say this sort of gives a boost to Light Workers towards prosperity because we are in the Year of the Wood or Green Horse, which is also a good opportunity. So think of yourself as really multi-dimensional in a multi-verse with no limit to the extent of your being.

Alright Dear Ones. As always, thank you and my love to you.

Djwhal Khul
