(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. One of the interesting things that we have happening this month is of course the Full Moon of the Christ. We are going to be celebrating that I believe on April 14 as a group and you are welcome to join us in a [Teleseminar](#) if you like.

It's also a blood moon, the first of four blood moons in about a 2-year time window, on the eve of a Jewish feasting ceremony.

We have as well a Grand Cardinal Cross coming up later this month. It sort of peaks on Easter Sunday and will hold its peak through about the 23rd April which is the prime time of it and then it wanes a little bit through to about the 25th April.

The Grand Cardinal Cross as it's called is something to prepare ahead for as it forces everything to the surface that is no longer working. It requires change to be in alignment with Aquarian Age values and it will be on all fronts but especially so financially. I think we're going to see some interesting phenomenon occurring.

So take a look at what is no longer working in your life or what is no longer a win-win. If it's a win-lose or a win-maybe-someday-win kind of thing, you just want to probably clear away gently and easily that which is no longer working.

And invoke all of your relationships to be win-win or all of your relationships to be mutually productive, or something of that nature. And then pay attention closely to dreams and insights that you're receiving because I'll be giving you clues to prepare ahead and spare yourself drama later.

So that is my wisdom for this week. It will give you a good head start on it.

Alright. As always, thank you and my love to you.
