(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. Well we have an interesting time. It's a summer holiday for many or they're taking a holiday at the time. We have some interesting configurations. They all come up around authority figures and communication. A lot of things sort of not quite clicking.

The remedy for all of that is to choose Peace. Be a neutral observer and be a channel of Love. So Peace, Observe, Love.

We want to work with also owning your own power so you're not feeling as though authority figures are bullies, and some of them may be acting like bullies, but essentially you don't want to have that hook in your own consciousness so that it can be triggered.

I would work with again "I choose peace. I'm a neutral observer. I am filled with Love" or "I'm channeling Love." And those will help you get through it.

Also I'd say avoid quick reactions. If something upsets you, take a couple of deep breaths before you respond to it. Just that little bit of lag time to get back into neutral observer should be quite helpful.

Alright dear ones. As always, thank you and my love to you.
