And here is Djwhal Khul's latest Spirituality Article, information complimentary every Thursday:

(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. The first thing that I want to do is invoke Archangel Michael.

We want to invoke protection for the self and for Humanity in general because we're in somewhat of a volatile time period, kind of on the brink of a war energy and we will have Mars, which can be sometimes called the masculine aspect, karmic or warlike, moving into the sign of Scorpio, which can be death and rebirth and deep transformation.

So we want to sort of temper the energies this week and really be careful about what you're saying and invoking or requesting in one way or another.

Focus your energies always of course towards the positive outcome like "I choose peace" that sort of thing.

And again, watch for others who harbor quite a bit of anger and are likely to take action upon their anger. So you want to really sort of cocoon yourself in a protected energy field as much as you can and ask for Archangel Michael's help.

Alright. As always, thank you and my love to you.
