Djwhal Khul here. Tashi Delek.

Alright. Our topic for this week is "I choose". Now I want to keep these simple three word statements so it might be "I choose Love", "I choose wealth", "I choose healing", "I choose forgiveness", "I choose happiness", "I choose Joy".

So maybe see if you can narrow it down to the primary one and perhaps it is Love or Self-Love that you're choosing to get there. Maybe first you need forgiveness, forgiving yourself is what I mean by that, or perhaps you need healing or whatever it is.

So you start with the one you feel you need right now and then go to the one that you need. So for example you might say "I choose letting go", I know that's four words but "I choose letting go" and then "I choose Love". Something like that.

So you can combine them together "I choose release. I choose Love." Whatever works for you but play with those statements and really empower them. We're in a time period where you can sort of wrap up things or finalize things and the other motions, since the hands have so many reflexology points on them, that I would recommend that you're like brushing your hands off. You've got dust or chalk on them and you're brushing them off. That sort of sweeping motion and then make the same motion for your fingernails so you're sort of raking the fingernails. I'm not sure I can do it here but let me try... like that, and then the thumbs. So you're doing your energy work that way.

Alright Dear Ones. As always, thank you and my love to you.
