(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. We have a Full Moon coming up this weekend which is rather important and I want to work with violet flame through that Full Moon in Aries.

We're going to be also working with a lot of angelic presence and really connecting the Angelic Kingdom to the Earth plane, basically the physical plane of the Earth plane.

So you might from time to time just feel angel wings just coming out of your shoulder blades there and wiggle your toes at the same time and, you know, little fun exercises like that that really say

Angelic Presence is here on the planet. And you might also more orbs floating through the air or capture interesting things on cameras and what not or in the sky and clouds as well, you'll probably see a lot of angel wings coming up.

So EnJoy! And as always, thank you and my love to you.
