Djwhal Khul here. Tashi Delek.

Alright. Veterans Day in the U.S.A. is coming up and I really want to make note that we also have Venus in Scorpio so we have a lot of very strong leadership energy, a lot of very strong warrior type energy that can be used for positive outcomes. By warrior I mean strength and courage to persevere.

And this week I want to talk about Freedom and Respect because globally what I see is a little bit more kind of suppression in certain areas and that what we want to do energetically is lift that up and away and give a sense of freedom. Maybe just a fresh breath of air [exhale] for freedom.

Freedom within all people and a mutual respect towards Veterans certainly but when I look at all the various past lives and all the times in which you have been serving in that way or maybe you served as a peacemaker and then you served as a soldier and what not, it's all kind of a mixed

bag. So when we look at it from an esoteric standpoint, we are looking at Freedom as a Divine Choice and Respect as a Divine Right.

Alright Dear Ones. As always, thank you and my love to you.
