Djwhal Khul here. Tashi Delek.

Alright. Wesak is here! The Moon is getting Full, technically it happens Sunday evening but I'd say Saturday night and Sunday night and even Monday night are good nights to put out a jar of water to charge in the moonlight and then drink the sacred water.

Of course we will have our celebration by [Tele-Seminar](#), which is also recorded and transcribed. That will be Monday April 30 so you are welcome to join us there if you like.

This year's theme is Reinvent and you can literally reinvent yourself, reinvent your career, reinvent your mood, your behavior, everything. So whatever you put your mind to will be the result

Alright Dear Ones. Thank you and my love to you.
