Djwhal Khul here. Tashi Delek.

Alright. This week we have, over the weekend actually, kind of a watery moon, highly psychic moon energy and a chance to work with the expansion of Fortune and a few other things.

So I think that is primarily what I'll talk about is Fortune expanding. Focus on anything really. You can take a coin put it in front of you, put it on a tabletop or something and then just gaze at the coin until it seems to grow very large. You can do that with anything in nature, you know, a flower petal, a bird's feather that they gifted you from the sky, a beautiful crystal, anything that you want to play with.

The focus will be expansion of Fortune or Fortune expanding, and then you want to see it and feel it growing larger and larger. Certainly you can focus on bank account, check book, wallet, whatever else that you would like to play with. And I would encourage you to play, play, play!

Alright Dear Ones. As always thank you and my love to you.
