(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. Well I think that we begin gearing up now. We've had a supermoon and a Chinese New Year. Now we are going to have Mercury going into Psychic Pisces which happens kind of overnight, Saturday night, Sunday morning. There will be a lot of inner planes chatter and there will be a lot of open telepathy. So what you're thinking someone else can easily pick up on and vice versa. So watch your thoughts. Continue to clean out your closet. Get rid of that which you no longer serves you literally as well as emotionally, mentally, etc.

And then we prepare for another supermoon followed by Tibetan New Year called Losar and Uranus going into Taurus which starts kind of a long stretch of money issues.

So this is the time to get your ducks in a row. Use the energy of the earth pig to be productive and get organized and make sure you've got a little nest egg tucked away.

Alright Dear Ones. As always, thank you and my love to you.

*Djwhal Khul*
