(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. We've got Halloween and Election Day with an interesting twist. Costumes are off! Now certain influences are just sort of allowing for transparency to see beyond the obvious.

So Halloween, a time when the veil is the thinnest between physical and astral planes, and it is said the underworld can walk the Earth.

I invite you to consciously walk the Earth as an Angel or Ascended Master or Saint on Halloween.

I would start, I believe it is technically Sunday, so I would start Saturday night, all the way through to Monday morning. And then that is all Saints Day. Now I realize not all countries celebrate Halloween but many of you do. Then we have Monday, All Saints Day.

This is where I really see some interesting contrast with some boxing gloves and political moves going on. But again the politicians are going to be a bit stripped of their costumes so even any kind of mask you might wear to hide some sadness or something, the costume will be dropped. Others will be able to see through. They'll see the sadness in the eyes, or the body posture, or the tone of the voice, so very, very interesting.

To get to the actual elections in the USA which is really very, very important. I do encourage consciousness, New Age people to vote because you are the ones that are here to influence the positive changes in the World and they come through what you set up as government vehicles. So lawmakers and what not.

So very, very important. If you're not registered now, please do and vote your conscience from now on because it does make a big difference.

Vibrationally, I still see some of the troubles with Venus retrograde and a little Scorpio energy. There might be more heated debates or ad attacks and that sort of thing. But again, just say "I request the support of the Ascended Masters and the Angelic Kingdom to see through this so that I am looking at what is truthfully underneath it." And I think you'll have fun with that.

As always, thank you and my love to you,

Djwhal Khul
