(Channeling begins)

Djwhal Khul here. Tashi Delek.

As I begin to deepen the connection with Humanity, you will be seeing a greater Bridge of Consciousness between the Ascended Masters and Humanity. And if you personally are inclined to connect more in service with the Spiritual Hierarchy, you will be able to make stronger connections now.

The conscious ability to build a bridge, if you will, a bridge like an Antakarana, like a rainbow bridge, between your own consciousness and that of a particular Ascended Master or perhaps the Ascended Masters at large, the entire Spiritual Hierarchy, is simply the intent to do so and then the willingness to communicate along that bridge of consciousness.

In other words, to send a message "*How can I be of assistance?*" or to make a request "*How can I serve to the best of my ability?*" So think of it, even much like you would think of a telephone line, that you are calling someone, they are listening on the other end and then they are responding. You can also use the bridge that way. Or like a computer you are sending an e-mail, it reaches its destination and something is returned. Use the electronic bridging symbolism, if that is helpful to you.

So conscious bridge connection between you and the Spiritual Hierarchy and that close working relationship that helps bring about the positive changes upon the planet now.

We are entering a more crucial time period with more earthquake activity, more decision to either become unified within the diversity or to become more divided, blaming diversity, is really dancing right now and I describe it as Humanity walking on the razors edge. So this is really the time to commune with members of the Spiritual Hierarchy, also perhaps members of the Angelic kingdom, and ask "*What can I do?*" or request that you be guided and shown the way and continue to build that partnership as much as you possibly can.

All right dear ones. This has been my Spirituality Article Information for this particular week. As always, we will keep updating the Spirituality Articles so that you can stay posted as events change.

Before I close, I thought I might just quickly name the Ascended Masters that are the heads of the Departments and I will name them in Ray order that you may feel inclined to call upon.

El Morya – 1st Ray - Red
Kuthumi – 2nd Ray - Blue
Serapis Bey – 3rd Ray - Yellow
Paul the Venetian – 4th Ray - Green
Hilarion – 5th Ray - Orange
Sananda also known as Jesus – 6th Ray - Indigo
Saint Germaine – 7th Ray - Violet

If you are wondering where Djwhal Khul is in there [tongue in cheek], the second Ray Department, along with Kuthumi.

[For more information about the Rays, visit http://terrinelyon.com/12_ray_attunements.htm]

Other beings you can call upon are:

Lord Maitreya or the Office of the Christ
Sanat Kumara or the Planetary Logos
Helios or the Solar Logos

And that should be good for now. Thank you and my love to you.
