And here is Djwhal Khul's latest Spirituality Article, information complimentary every Thursday:

(Channeling begins)

Djwhal Khul here. Tashi Delek.

Today's message is the "Spiritual Vote Counts" and I might add to that title, *very very much!* I want to go into explaining how your Spiritual vote gets tallied in at least two different ways, if not more than that.

The popular vote on the ethers, if you will, for this upcoming USA election is clearly Barack Obama. And in terms of most lightworkers about the planet, conscious or unconscious as a lightworker,

their choice is for World Peace and their choice is also for the recognition of the sacred status of Mother Earth to bring about environmental ways of existing in harmony with the planet to preserve as many species as possible, etc.

*So basically, lightworkers, or New Age spiritual beings, want World Peace and they want leaders that will bring that World Peace to them.*

Now when we [the Ascended Masters] look at mass vote, on the ethers, it is free will choice. We also take into consideration those who are resentful of certain leadership, maybe particularly Big Brother syndrome as perceived in the USA, or religious differences as perceived in relationship to the USA. Although the USA is a melting pot where all religions are welcome, there is the perception that it is primarily Christian or maybe even exclusively Christian as perceived by other places in the world.

So you have, included in that mass vote on the ethers, those who would not consciously welcome more economic devastation or might wish economic failure upon the US, and I mean a complete collapse of the dollar or severe devaluation, down to you know 20 or 30 cents on the dollar.

When you look at that globally, we have a much bigger mix of things going on that needs to be considered. Now another factor here is *that many who are spiritual wish to exempt themselves from physical plane activities, such as going out to vote or even registering to vote.* And I would say to you, *this Election is extremely close, extremely close,* like the last two.

There is a need for *all* of the lightworkers to go and vote their conscience, whichever way you want to vote. It is very, very important. I will say it is very close between two candidates, that would be McCain and Obama. *If you throw your vote to a third or someone other than those two, you strengthen the chance that one of those two will get elected.*

So again, I would pick very carefully and I would urge you to go out and physically vote, or do it online, or go stand in line. If you can still register where you live, go register, go vote. *It is extremely important.*

The last two elections showed us what happens when apathy is the normal. There's just "Oh it's all decided ahead of time anyways so I won't bother to vote." or "I just feel a little under the weather today, so I won't go vote." Or "You know, I need my rest" or "I need to go to work." or whatever. So the lack of action the last two times is what has created a mass vote of war in an inappropriate place and a lot of suffering.

So here you are again on a pivotal point where you can invoke more suffering or you could start the repair work.

And I don't personally choose a candidate over another because it is your choice as human beings.

I just happen to mention what the popular lightworker choice is: it is not 100% in favor of Obama. There are those who favor other candidates. So I want to be clear about that.

The Spiritual Masters don't tell you *how to vote* and I'm not telling you *how to vote*, I am urging you *to vote in the flesh* rather than just leaving things up to an inner planes preference or assuming that it is already done.

Lightworkers are incarnate to bring about World Peace,  
and that means *making the changes now in the flesh*,  
and creating a progression of changes.

And we do have an upcoming Telecourse called "Clear Mind Control" and it's on All Saints Day, November 1<sup>st</sup>. And that is designed to sweep through the ethers and to clear things up in a group format.

You can use that same teaching format over and over and over again in the future for other events. And I would encourage you to do so, because even so much as clearing the economic fear in the moment is very helpful. That's always done in a group format and that teaching [Clear Mind Control] will provide that for you. Now it can be ordered after the fact as well.

Now, the next Telecourse we'll have will be November 26, 2008. That is when Pluto goes direct in the sign of Capricorn for 15 years. And that is sort of the kick in the pants, if you will, for Humanity to begin to align with the energies of World Peace, with the Aquarian Age in and of itself. Any unfinished lessons of Pluto are being flushed out now and they will be flushed out subsequent to that.

So we will have Timely Calls designed in the Telecourse section of the website and that is [www.terrinelyon.com](http://www.terrinelyon.com) or look for Djwhal Khul, if you can spell it. Then, what we'll do is keep supporting you and at the same time you will be getting very deep shamanic esoteric training.

All right. That is our Spirituality Article information for this particular week. And as always thank you and my love to you.
