And here is Djwhal Khul's latest Spirituality Article, information complimentary every Thursday:

(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. We are going to begin please with a golden white light coming in through the Crown Chakra. You will hear me use this color frequently. It is one of the main energies that accelerate spiritual growth in this particular time period.

Since our Spirituality Article this week is starting with the Full Moon of the Christed Energies, April 9, that is also the day that we have a very special call, which I believe can be ordered before or after the fact. It is in the [Tele-Seminar section](#).

The vibratory pattern is the awakening of humanity and the energy field is such that it has a very high stimulation rate. If you are feeling anxious, if you are feeling like you are missing something, everything is speeding up, you can't quite keep up with it, it would be the energy field of this acceleration around the full moon.

It is the beginning of the three Sacred Moons every year, Christ, Wesak and then Humanity. Usually April, May and June but it can vary depending what sign the moon is full in.

Now energetically, I would say *match* the vibration. This exercise will be matching a very excited vibration, how to synchronize with it. Basically, you would take note that the energy is very, very strong, maybe it feels jumpy and mimic how it feels to you. If it feels like it is moving very, very fast in a straight line, walk very quickly across the room in a straight line. If it feels more like it is a jitterbug kind of energy, dance a little bit. If it feels like it is jumping up and down, jump up and down.

You literally synchronize your energy fields on all levels, physical, emotional, mental, spiritual, to match the energies that are around you. It is sort of like being a chameleon in your environment. It will help you synchronize with the acceleration and be much more comfortable with it.

Alright then. It is time to step up to the plate and swing at the ball and run around and take action. This is an action time period for everyone. Alright then. That has been your Spirituality Article for this week.

As always, thank you and my love to you,

Djwhal Khul
