And here is Djwhal Khul's latest Spirituality Article, information complimentary every Thursday:

(Channeling begins)

Djwhal Khul here. Tashi Delek.

We are going to begin with a beautiful violet flame in a way perhaps that is very unusual to use violet flame. We want to see it starting up above the head and spiraling down into the Ascension Chakra.

Now the Ascension Chakra is just behind the Crown Chakra, a little towards the back of the head. We want to see that beautiful violet flame just literally coiling down, spiraling and then striking, almost like lightning, right into the Ascension Chakra.

We are in a very sacred time period, just past this last full moon. It happened to be the Full Moon of Humanity, June 7 or June 8 depending upon where you were. The acceleration of the Mayan Calendar is occurring now and you should feel quite a lot of energy finally freed up so that you can complete projects. This particular acceleration of the Ascension Chakra using the violet flame coming in from above, in a vortex shape, will also facilitate getting on with spiritual purpose.

I recently upgraded the [World Servers Broadcast](#) to also make note of that. To those who are World Servers and Light Workers, we do a weekly long distance transmission on each of you. It is a group session technically that is sent and that has also been upgraded to reflect the same acceleration, that you might serve your Divine mission with no obstacles and do it in a quick easy manner.

Alright Dear Ones. As always, thank you and my love to you,

Djwhal Khul
