(Channeling begins)

Djwhal Khul here. Tashi Delek.

I am going to work with a particular message about accelerating spiritual growth and spiritual purpose in this time period. I have talked about the stone, a gem crystal really, a quartz that is called green amethyst, nicknamed green quartz and also prasiolite, and its value during this time

period. And I would urge you to get some, and we are going to have the elixir, the gem elixir, available very soon on the web site.

[Prasiolite is named for the Greek words "prason" meaning leek, and lithos "stone", for its leek green color. It's also called vermarine or green amethyst, and is technically a greened amethyst. In metaphysical lore, Prasiolite is a stone of originality and courage and can foster self-reliance in all situations. Prasiolite is also a prosperity stone, said to attract abundance. It can help strengthen and express emotions as well as the mind and will. It is also said to be highly beneficial for prophesy. It is used in crystal healing for cleansing the body of toxins of all kinds, tumors, stomach acid, ulcers, assimilation of nutrients, and healing the whole body from a spiritual level. Quoted from www.crystalsandjewelry.com]

It is a way to accelerate the spiritual growth aspect in this time period, and to also align one very, very clearly with the spiritual purpose.

If your life has been painful lately, or is painful now, it is an indicator that you are not doing your life's purpose. If you want to get in line with your life's purpose and you are not sure quite what it is, we can refer you to someone who reads your fingerprints to do that for you, and that would be Debbie Davis at www.thelifepurposespecialist.com.

Alright, then. The vibration that I am going to work with is the prasiolite. What I am working with here is sending that energy to you, while you are watching this or listening or reading it. Sending the energy to you rather strongly right now will help you get really into your power center and focused on track into your purpose this lifetime, which is time to unfold now.

When your purpose is aligned your life is moving forward very rapidly, but with balance. And generally speaking, you would be rather happy, because you are going in the right direction. If it is disaster after disaster, a lot of pain, another tragedy, another setback, woes of any sort, it generally means maybe you are not going in the direction of your purpose or you have taken a little bit of a turn or something. I would say that this would be a very painful time to not be aligned with your Higher Self.

Alright, dear ones. As always, thank you and my love to you,

Djwhal Khul
