And here is Djwhal Khul’s latest Spirituality Article, information complimentary every Thursday:

(Channeling begins)

Djwhal Khul here. Tashi Delek.

Let’s begin please with the invocation of angelic presence. Simply the visualization of angels everywhere, every street corner, every building, every individual and all members of the animal kingdom, plant kingdom, and mineral kingdom as well as the human kind, so that we want to simply see a *strong* angelic presence helping out at a very difficult time in history.

Now we have a New Moon and a Solar Eclipse that is sandwiched in right between Saturn going retrograde and Mercury going direct. And the most potent time that I would see on this would be the Pacific Time zone or Los Angeles at 11:11 pm on January 14 2010.

A New Moon can allow you to leap through any new opening. We are in 2010 which is the turnaround year and then we have very powerful configurations.

So it is a time to visualize what you *do* want and feel it as strongly as you can. Maybe even act it out, at least in your mind's eye if not physically.

Alright everyone. As always, thank you and my love to you,

Djwhal Khul
