(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. This week's Spirituality Article coincides with Jupiter going retrograde for several months and a Full Moon in Aquarius while the Sun is in Leo. It is a very humanitarian kind of combination there. The energies that are coming in are quite powerful in the sense that they will allow the expression of Higher Power on the Physical Plane.

Now Jupiter is considered a Wheel of Fortune, so it going retrograde can be an opportunity to *increase* fortune. I would encourage you to perhaps make that your mantra. "I increase my fortune daily." "I increase my fortune a thousand-fold or a hundred-fold" or whatever feels right to you to work with those energies. Then Higher Power expressing on the Physical Plane, be willing to be a conduit for that.

Also look for it expressing out in others as well. Deliberately attempt to see the Higher Power in play rather than looking for lesser things. What you're oriented toward is how you perceive things. So if you are expecting lower behavior, that is what you'll get. If you're expecting Higher Power, that's what you'll get. A very beautiful way that that works.

Now will there be other things that occur in your life besides higher power? Yes. However, always attempt to see deeper or higher, for lack of a better term, than what is occurring. Take a look at where is the blessing or what, how, is Creation using this learning opportunity. So seek the high ground. Very much so.

Alright everyone. Thank you and my love to you,

Djwhal Khul
