And here is Djwhal Khul's latest Spirituality Article, information complimentary every Thursday:

(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. First thing that I want to do is sort of *accentuate* the telepathic abilities. You want to be doing things that stimulate the Third Eye center. It can be just maybe holding a beautiful amethyst crystal in front of it or flower essences, essential oils. You can even take some incense ashes and put a little dab on the Third Eye. Anything that feels good to you. So you want to bring out that telepathic ability.

Now we are at a New Moon and Earth Day. And the moon is in Taurus along with the Sun in Taurus, with a black moon. So it also highlights the Year of the Dragon energy, because we're black water Dragon and with the earthy Taurus energies.

Thinking that water and earth may be moving more so than normal and would say to really take some time to go within and appreciate Mother Earth. Even just before sipping on some water or as you're preparing some lovely vegetables, or anything. Anything. Just look outside and see a bird and appreciate Mother Nature.

So the spiritual focus also then would be a time of renewal because we are in between the two first Sacred Moons with Wesak coming up on May 4.

We do have a special Wesak ceremony that anyone can participate it from anywhere in the world. It's available on the website under "Teleseminars".

We'll be connecting a network grid specifically around 7:20 pm on May 4; and then 5-5-5 is the way the numbers come out for the first full day of Wesak. So you can check that out if you want to join in the ceremony.

And you can just meditate with it if you can't call in at that time.

Let me see what else I am going to say about this coming week. Body pressures are changing so you may feel almost like you are being compacted or don't have enough space to move or space to breathe. It's having to do with solar debris.

So keep using mind over matter, stay hydrated, immerse yourself in water if need be and watch out for lymphatic congestion.

Alright, Dear Ones. As always, thank you and my love to you,

Djwhal Khul
