(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. Wesak is approaching. The energies are building nicely and this is a time to create what we call good merits, essentially.

We will have another Spirituality Article on Wesak preparation and then of course the Wesak Meditation is available on line now.

Today I think I want to present the focus for this week is to “Love as you would like to be loved”, or maybe even more appropriate, “Love as you would love to be loved.”

This is a practice of treating all others with a very kind gentle manner, very compassionate and really asking yourself deeply within: how do I want to be loved?

What needs do I have that meet that within me and how can I offer that to others.

So that is your practice for now. To love as you would love to be loved.

As always, thank you and my love to you,

Djwhal Khul
