(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. Preparation for the Venus Occultation or Venus Conjunct Sun, Venus Transit. It's called many things, it is all one and the same. The energy to prepare the best would be to open the heart center allowing a lot of Divine Love to flow through it.

I want to think really kind of like the heart chakra is an empty vehicle with a lot of light just shining through the front of it and then pouring out the back, almost like space is flying through the heart center. So in a very kind of open empty feeling but with a lot of flow moving.

The energies on or about June 4 through the 6, right around in there, are quite ripe for a number of things to happen. Those with open hearts will be alright. Those with hard hearts or closed hearts that don't trust the process of Love may have a more difficult time.

So open with Love please.

As always, thank you and my love to you,

Djwhal Khul
