And here is Djwhal Khul's latest Spirituality Article, information complimentary every Thursday:

(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. We have just had Mercury go direct in the sign of Leo. Things are still a bit muddled though. Communications are still going to be a bit difficult in certain cases and I see things like, if you're paying for something, count the money twice, that kind of thing. Just sort of make sure that everything is going the way it is supposed to go.

Challenges coming up for humanity are going to deal with what I covered in the "[Mind Tune-Up](#)" and I believe that audio is available. There will be a transcript in a few weeks. The "Mind Tune-Up" is talking about the brain, the heart and the pelvic center or the gravity center being challenged.

So this Spirituality Article is about Gravity and the information that you need to at least stabilize that part of the body, it is called the Don Tien center.

For some of you, you may need to add magnet therapy or natural hematite, which is magnetic, if it is not synthetically made. A real mined hematite is magnetic. And then perhaps also just practice a little bit more *feeling* a connection going from the tail bone into the center of Mother Earth or from imagine you have a magnetic disc or ball or something, just on the front side of the sacrum. And from looking at the body from the front, that would be just below the belly button and kind of in the center of the torso there. And then that magnet is connected to Mother Earth. And I am going to say that it should look probably the size of a hockey puck, if you are working with it energetically.

So gravity, gravity, gravity and being in the present moment. Those are the things to practice now.

As always, thank you and my love to you,

Djwhal Khul
