And here is Djwhal Khul's latest Spirituality Article, information complimentary every Thursday:

(Channeling begins)

Djwhal Khul here. Tashi Delek.

Let's work with the violet flame and also violet angels are very good to invoke during this time period. Angelic fire. Well, really call upon anything that seems to balance or soothe you. It's all good.

What I want to talk about this week is perhaps a bit of a different way of phrasing things than 12-12 and 12-21 and Winter Solstice and all of the things that are being talked about as we come to a close here with 2012.

Of course, you are going to wake up the next day and it will be another day.

The energy is much more rapid than it has been before. Time is sort of breaking apart basically. I like to think of it as Cosmic Truth has arrived and it's mingling with Humanity's thought form consciousness and literally shattering it because meager thought forms that are very limiting cannot survive in the presence of Cosmic Truth.

So if you're flexible, you can go with the flow, go more with the heart than the head and be willing to shift and change. Self-improvement work is always good during a time like this for example.

And pray for world peace. Maybe do some energy work in that direction. Keep awakening peace within yourself most certainly.

The other condition that is presenting itself is simply that everything reaches its peak point. This height of energy or the fullness of the Moon and then it wanes and whatever in all of Creation. And the Earth in terms of an energy chamber is reaching its peak, it's nearly full now. So the intensity of that energy also has a transformational effect on the consciousness.

As always, it is appropriate to work with your conscious intent. What *do* you want? and make simple choices coming from all levels of your being. Very simple, like the word "Peace", the word "Love", or the word "Survival", "Safety", "Security", "Stability", "Balance". Just really keep putting conscious intent in a very simplistic way and that will help you quite a bit.

Alright. Thank you and my love to you.
