And here is Djwhal Khul's latest Spirituality Article, information complimentary every Thursday:

(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. This week we have really some kind of interesting energies, getting past the 9/11 memories and kind of a high emotional day on 9/11. As we move into Yom Kippur on 9/14 and then a Moon in Aries on 9/15, which is kind of an Aquarian effect upon the emotional body, humanitarian effect. And then we move into yet another influence with the Moon going into psychic Pisces on 9/17 and then of course we have Pluto going direct at the Fall Equinox. So we're in a very powerful time period.

What I am going to recommend that you do during this time period is "Act as If" and of course the energy will follow.

So Act as If you have you have mastered the emotional body and the energy will follow. Act as If you have achieved enlightenment and the energy will follow. Act as If you are kind and compassionate towards yourself and all others, and the energy will follow.

Now there's an endless possibility of how to play with this energy, Acting As If you are prosperous, Acting As If you already live in your desired location, Acting As If you already have your desired career, your desired relationship, etc., or your desired health, whatever it is.

So you want to go ahead and move into fully embodying whatever it is that you choose to become and you have such a good chance now of just grabbing that energy and resonating with it and keeping it.

Alright Dear Ones. As always, thank you and my love to you.
