(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. This is a very exciting week. We have Pluto going direct. We have the Fall Equinox. We have a Full Moon. Quite a lot going on and I'm going to say this is really that kind of 'wrap up' time.

So if there are things in your life that have not been working and you have not yet changed, either yourself or for the list of tasks, or how you do things or the relationship nature, whatever it is. This is when it kind of culminates.

We have more challenges coming up and what I'm recommending generally speaking is just surrender. Don't try to tug of war with this dynamic.

What you want to do is drop the rope, walk away. Not put energy into struggle but rather put energy into "How can I make my *own* life as graceful and as easy as possible?"

Alright Dear Ones. As always, thank you and my love to you.

Djwhal Khul
