And here is Djwhal Khul’s latest Spirituality Article, information complimentary every Thursday:

(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. This particular article I want to talk about deep insights cause we are in a time period here, coming off of the Full Moon, the hunter’s moon, the lunar eclipse, and then we’ve got the Sun moving into Scorpio, then we have the Sun trining Neptune in psychic Pisces, so we’re going to see a lot more telepathic communication available.

The animals even more psychic than normal. Unfortunately, psychotics may be a little more psychic than normal as well. So do be keeping your spiritual umbrella of protection up and other ways in

which you might protect yourself with essential oils and vibrational elixirs, energy work, and what not.

During this time period however, one very powerful tool can be used which is that of getting deep insights. If you keep your focus upon yourself and not on what's going on in the world or what that other person is doing or not doing, or the drama with the pets or the neighbor or whatever, keep your focus back toward you.

Don't waste your time on other things outside of your control and you will gain some very deep insights and therefore very deep healings from within.

As always, thank you and my love to you.
