And here is Djwhal Khul's latest Spirituality Article, information complimentary every Thursday:

(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. This week I want to work with the vibration of Joy and a little deeper insight into forgiveness because we are under some strong influences here.

We have our fourth of seven squares between Uranus and Pluto coming up on 11/01. We have a solar eclipse on 11/03, of course, Halloween, the Day of the Dead and All Saints Day, Election Day. It's going to be very interesting.

Essentially the opportunity to move deeper and deeper into forgiveness is what is present. And I do recommend the book by Lori Rubinstein on "[Forgiveness](#)". There are many, so any one that you happen to have or anything that you can read about it anywhere, you know, it's good, it's inspiring, but to move it to a deeper level. And I'm going to call it Joygiveness.

We really want to not just say "I forgive myself now and through all eternity" or "I forgive the other person now and through all timelines".

I want to move into the Joy aspect that is freed within your own consciousness when you successfully practice forgiveness. So that I would call Joygiveness.

A very simple affirmation I think will help you. It's called

"I choose Joygiveness",
"I choose Joygiveness",
"I choose Joygiveness".

As always, thank you and my love to you.
