And here is Djwhal Khul's latest Spirituality Article, information complimentary every Thursday:

(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. A very exciting week. We have Winter Solstice of course. And on that same day we have Venus going retrograde in the sign of Capricorn. That can make for some very interesting things.

Capricorn can be kind of a bulldozer, get it done, stick with it and then of course the Venus Love energy appearing to go backwards in the sky. It's going to be very interesting. And of course, Christmas Day falls within this particular fiscal week here. So.

I want to talk about Sisterly Love, I think is perhaps the best topic for this time period. Keep in mind that the Solstice is when we want to bring as much light into everything as we possibly can.

So as much Light and Love shining on yourself, shining on all the situations in your life, and think of it in terms of Sisterly Love. So bring the feminine energy with it and I think that will help bring you some balance.

Alright Dear Ones. As always, thank you and my love to you.

Djwhal Khul
