And here is Djwhal Khul's latest Spirituality Article, information complimentary every Thursday:

(Channeling begins)

Djwhal Khul here. Tashi Delek.

We're at the Full Moon of Humanity, one of the most sacred moons that you can have. And we want to celebrate the fabric of our being, so to speak, or the fact that humanity really comes from one cloth.

So I give you the image of studying yourself as maybe one drop of water in a full bucket, just sort of melding with humanity and appreciating the interwoven-ness that does exist.

On the inner planes we will be doing quite a bit of work understanding how to bring humanity into enlightenment so I would say tune into your dreams and look for inspirations and synchronicities coming from every direction.

Alright dear ones. As always, thank you and my love to you.

Djwhal Khul
