And here is Djwhal Khul's latest Spirituality Article, information complimentary every Thursday:

(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. We have some interesting things coming up here. We have Rosh Hashanah. We have Mercury going into Scorpio while the Moon is in Scorpio, which can provide some healing for communications. And then we have Venus moving into Libra and then Yom Kippur coming up and we build up to the next Blood Moon which is on Sukkot or the Full Moon.

So it's kind of a time when I'd say things tend to build with more pressure than normal and as a Lightworker your practice would be to be gentle with yourself, kind and loving within and kind and loving towards others. The chance to heal some communications may even be a time when you

decide to sit down and have a talk with your inner self or maybe write a love letter to your Inner Self or your child, you know, your Inner Child may want to draw a picture that represents Self Love or something like that.

So play with kind, gentle, loving.

Alright Dear Ones. As always, thank you and my love to you.

Djwhal Khul
