(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. We’re going to work with a vibrant blue color. I would call it Smurf blue and this one is to sort of turbo charge the energy field.

I started to recommend it individually and I looked around and decided it is a good global color as well.

So to roll with the times, to be able to shift gears more quickly, and twists and turns that are Uranus-Pluto configurations create, and then also the Mercury retrograde we're in and a few other things.

So a vibrant blue, Smurf blue. If you don't know it, look it up. And feel that energy just rolling and rolling, kind of billowing out of the body. You want a very vibrant high energy field right now.

A very short message this week. Enjoy playing with the color.

As always, thank you and my love to you.
