(Channeling begins)

Djwhal Khul here. One moment, let me get a little deeper into the channel. There we go.

Alright, What I want to talk about this week are Fire Trines because we are coming upon a Full Moon and we will have things trining in fire signs.

It's a good opportunity to sort of light the fire under your feet and get moving a little more quickly although for some of you this is a restoration time period. You really need to conserve your energy,

pace yourself, don't do too much at once, that sort of thing. Really weigh that out personally how it may affect you. But in the Heavens we will have a Fire Trine, Grand Trine of Fire.

And I do feel that it is sparking more movement towards humanitarian energies and particularly so for the masculine energies to embrace more global compassion really.

So we'll see how everything plays out. In the meantime go ahead and see what is ignited within your own consciousness as a result of what is going on in the Heavens.

As always, thank you and my love to you.
