(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. We are approaching the Uranus-Pluto Square number 6 out of 7 in a series that will occur Sunday, December 14 at 9:14 pm Pacific or Los Angeles Time.

This is a very important time period for many reasons. We're also looking for the conclusion, the last of seven squares, in May of 2015. And essentially this is sort of like constantly shaking things up, requiring that you make yet another change or yet another shift, maybe even back-peddling a little bit so you can get further ahead sort of thing.

So be very flexible, go with the changes, don't try to hold hard and fast to anything and since we have holidays upon us, many places on the globe, different religions and what not, trying to even hold on to a holiday tradition, like everyone needs to be here for the holiday feast or whatever it is, just let it go.

Let things be interchangeable or postponed until a better time for gathering, just be flexible as much as you possibly can.

Alright. As always, thank you and my love to you.

Djwhal Khul
