(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. We come upon some very interesting energies here. Uranus Pluto has been in a kind of a famous square, all 7 of 7 squares, which culminates on March 16, March 17 by some calculations, which is also St Patrick's Day.

We have then what I would call a strong aftermath through about Summer Solstice, so June 20, 21st of this year and then a more lingering aftermath of that probably wrapping up some time in 2016.

Essentially, we are called to do two things here, well a number of things but we're kind of down to this last square so I'd say it is about realizing the depth of Spirit and *transcending* all of the man-made laws or even what you would view as scripture God-made laws. We're really called to rise above all of the earthly things and take a look at true Spirit, true eternal Spirit and recognize that we are all One or all from the same Creation, so that sense of equality.

That is sort of fueling what I might call a duel for freedom, dueling it out literally for a sense of freedom. So when one holds on to their concepts on the physical plane, they find themselves constantly at war, constantly challenged. So if you're holding on to a specific religion as the way, you'll be challenged. If you're holding on to a specific way of life, it'll be challenged. If you're set in any way, shape or form, it's going to be challenged.

So part of what this entails in this duel for freedom is again *transcending all laws*, all sense of, even if this is a Universal law, go ahead and let yourself expand beyond the limitations of that thought form and see what happens. So on a mystical level, this is the time of great growth, if I look at it globally on a financial and religious level, it could be a strong battle.

So *transcend, transcend, transcend*. Know that you are One with Spirit. Spirit has never been separated into categories or a construct that the mind perceives.

Alright Dear Ones. As always, thank you and my love to you.
