And here is Djwhal Khul's latest Spirituality Article, information complimentary every Thursday:

(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. Violet flame is going to be the first thing that I invoke. And I mean a *lot* of violet flame. You might just see it going with you everywhere, constantly, transmuting and transforming the energies.

We're going to a Pluto Retrograde and it's power packed. It lasts till towards the end of September when we have a lot of other things going on like Fall Equinox, the last of the Blood Moons, etc.

So this is an important Pluto Retrograde in Capricorn. And it is calling for alignment with good and just causes, alignment with the environment, but most of all it's calling for a time to go within and really take care of yourself and put your own things in order. Politely said, sort of, the same as staying out of other people's business and really focusing in on you and what you want and what you can improve.

So as a lightworker, this is a time of tremendous personal and spiritual growth and I would encourage you to invoke the Positive Power of Pluto. Really ask Pluto and Capricorn actually to support you during this time period and to accelerate your personal and spiritual growth in a good way.

Alright Dear Ones. As always, thank you and my love to you.

Djwhal Khul
