And here is Djwhal Khul’s latest Spirituality Article, information complimentary every Thursday:

(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. We’re really just past that Christed consciousness energy - it starts with the Christed Moon, then Wesak, then the Full Moon of Humanity - and we have sort of this, I want to call it a wavelength sort of moving through that allows us to access interdimensional Love and to expand Christed Love.

Then in turn working with that energy with all of Humanity and really all kingdoms on the Earth and all elements of earthly living. So we continue this week with a Christed Love expansion and

literally feeling that Christed Love consciousness in the Heart center, radiating as a sacred heart in all directions.

And if you want to play with last week's Spirituality Article, also then see that just instantaneously delivered to all dimensions and all time lines.

Alright Dear Ones. As always, thank you and my love to you.

Djwhal Khul
