And here is Djwhal Khul's latest Spirituality Article, information complimentary every Thursday:

(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. Well this week we have some sign changes that affect humanity. We have Mars entering Leo on 8-8 which is, 2015 adds up to an 8, so that's 8-8-8 quite a powerful day. I think that actually this is going to improve a lot of things for many maybe even making communication very, very clear. They will be most likely be extremely *direct* but also very clear.

And then we have most notably Jupiter entering Virgo on 8-11 in the early hours of the morning. That does create an expansion but also a sense of organization and reorganization. So that can be used positively as well either on small projects or even very large projects.

I think that all in all we have an upcoming wonderful New Moon on August 14 and the energies for that should be favorable as well for really kind of *leaping* into something new.

Alright Dear Ones. As always, thank you and my love to you.

Djwhal Khul
