And this is Rainbow. Hello sweetie-pie. She's purring up a storm. I don't know if you can hear her or not but she's a little miracle right here. Yes, still with us. What a sweet girl. OK.

We're recording a little early so that we can get it transcribed in time. And of course all of the Spirituality Articles are complimentary. You can find them at [www.terrnewlon.com](http://www.terrnewlon.com).

And here is Djwhal Khul's latest Spirituality Article, information complimentary every Thursday:

(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. Violet flame is the first thing that I want to invoke. We've been through a solar eclipse. St Patrick's Day is coming up. We're in the energies that begin to build towards the Full Moon of the

Christ, coming up here in March. It's usually April, May, June for the three moons, but this year it's March, April, May. A little bit of juggling from time to time there to get a good look at what went on energetically.

We are doing a [Wesak](#) in person on Earth Day, April 22, 2016. It is open to the public. We're asking for pre-registration so that we can have enough space for all of the physical bodies that would like to come. Then another one on the day after that, the Saturday, holding only 14 people because of the space and the intimacy of what I want to accomplish during that energy work. Perhaps in 2017 we'll do a bigger one so it depends upon the demand and who wants to attend.

Alright now, we've got a very supportive cat here. She's enjoying the energy very much. Good girl Rainbow.

I think that here I want to talk about service vows to really think about what it is you most enjoy about service. Is it helping other members of humanity? Is it interacting with the animal kingdom? Is it serving the plant kingdom? Maybe you're very, very happy with crystals and other minerals. Perhaps it's the Earth itself that really draws you to service and it could just be that the spiritual growth aspect of Creation is your favorite part of it.

So be thinking about what draws you in terms of service vows and what you would like your focus to be as we approach these three Sacred Moons. So that would be the Full Moon of the Christ, the Wesak Moon which I celebrate as an esoteric Wesak, not just Buddha's birthday, but the true esoteric Wesak, and then the Full Moon of Humanity is the third one.

So just reflect a little bit on *your* choice of service.

Alright Dear Ones. As always, thank you and my love to you.
