(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. Today I want to focus on compassion. As we get through this next little series of time here, we're going to have St Patrick's Day, of course. I see the weekend being a little intense too, with the Spring Equinox and the beginning of the astrological year and then the Full Moon approaching with an eclipse just 15 days after the last eclipse. So it's going to be quite intense.

I'm going to say 'Compassion in Practice'. Really ask yourself things like "If I were..., if this were me, how would I like this approached?" Or "If I have a situation, how can I most compassionately deal with it?" Especially dealing with others, I think the compassion in practice is going to be important or when you're hearing on the news and you're hearing about rallies and things like that, it's going to be interesting.

The Mars energy is surging up some more agitation so as Lightworkers we can sort of calm the whole thing down with a nice little blanket of compassion.

Alright Dear Ones. As always, thank you and my love to you.
