### **“Wesak, Earth Day and Passover”**

April 21, 2016

This is Rev. Terri Newlon of [www.TerriNewlon.com](http://www.TerriNewlon.com)

We are pre-recording early so I can travel to Santa Barbara for Wesak. Yay! And it is sold out but we do have a Tele-Seminar that we will do. You can join us live on April 21 at 10:00 am Pacific Time or if you sign up for it then you get the audio and the transcript and everything. You can listen to it also on a telephone recording right afterwards, like as soon as we're done recording it will be up. So that's just \$25 if you want to go to the website and participate in Wesak that way.

You can also listen to the following message, and all subsequent messages which change every Thursday. The latest message is available 24/7 by telephone or computer at:

And here is Djwhal Khul's latest Spirituality Article, information complimentary every Thursday:

(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. We're going to work with violet flame first and I'm going to say we want to see the violet fire really almost in a cooling way because we've got Mars and Pluto retrograde now. We have

Wesak, Earth Day and Passover all kind of lumped together and it's fitting that the Full Moon is also on Earth Day because we need to bring quite a bit of light and anchor that energy into Mother Earth.

So there's also a very interesting component happening for Wesak on a Full Moon which means the Sun is in Taurus and the Moon is full in Scorpio at the exact opposite side of the zodiac. That is how it is esoterically determined.

We have a very interesting phenomenon of layers of time kind of converging so past, present and future converging, which means it's a very miraculous time period to move energy and to co-create what you *do* what. So be focused on positive things. please.

Alright Dear Ones. As always, thank you and my love to you.
