And here is Djwhal Khul's latest Spirituality Article, information complimentary every Thursday:

(Channeling begins)

Djwhal Khul here. Tashi Delek.

Let me get a little deeper into the channel here. There we go. Good.

So we have quite a few things coming up I think. Father's Day and [Summer Solstice](#) are notable. I want to go a little further though because we have Venus moving into Cancer. That happens first. Venus in Cancer on June 17, Father's Day June 19 and Summer Solstice on June 20.

Then as we move ahead a little bit we've got our Neptune, currently retrograde in Psychic Pisces, the Moon is going to join that Psychic Pisces energy on June 24 in the evening. So that is going to be very interesting.

Then Chiron, the healer planet, is going to go retrograde also in Psychic Pisces on June 27 and last but not least, Mars that's been retrograde since April 17 is going to go direct in Scorpio, that stinging death-rebirth kind of energy and masculine war energy and that will happen on June 29 in the afternoon.

So we have quite a few things going on. I'm going to say just literally be an instrument for peace. Do your best to focus peacefully, try to speak peaceful words or reassuring words and do your best to deal with all the chaos because there will be plenty of it.

As always, thank you and my love to you.

Djwhal Khul
