(Channeling begins)

Djwhal Khul here.

Yes we do have a little bit of feedback on the microphone. I’ll see if I can fix that.

This week I want to talk about Mars going direct and it does so on June 29.
One moment here, I want to get a little more centered in the body. There we go.

We’re going to have an interesting surge towards the end of this Mars retrograde, and then when it does go direct it kind of goes with a bit of a vengeance. So I am going to say keep invoking Divine

Feminine Presence. You can work with Angelic Presence for example would also be helpful. Really any Feminine Presence or just the Presence of Divine Love itself will be helpful.

Be careful of others who are, shall we say, more invested or somewhat stuck in the masculine aspect because I see them kind of heating up or getting more angry. So do be cautious around others and I'd say also careful about what you post on social media because I see backlashes and that sort of thing.

So keep invoking Divine Feminine Presence. Fill yourself with Love and Light. And perhaps also Joy, [9th Ray](#) blue-green Joy.

As always, thank you and my love to you.
