(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. Well, probably the most significant thing this week is the Mercury Retrograde on August 30 which will kind of boomerang a little bit with the Uranus Retrograde that is currently in place.

So I see maybe some troubles with electronics and that sort of thing and perhaps also just at the beginning of the retrograde a little more confusion in general. Things getting scrambled and what not.

So in the meantime, I would say try to be clear within yourself. You want self-clarity about what your role is, what you are choosing to do next, how you just reacted to a bit of news. Just try to get clarity within yourself and that will be something that will help quite a bit.

Alright Dear Ones. As always, thank you and my love to you.
