(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. This week I think our focus is on expanding positive energy. So we want to find *any* bit of positive energy and then just somehow just make that as large as you possibly can. So we are working with positive thoughts within yourself, you're working with maybe positive stories in the news, positive feedback from others, positive media posts, that sort of thing. So it's highlight and expand for positive thoughts.

Alright Dear Ones. As always, thank you and my love to you.
