And here is Djwhal Khul’s latest Spirituality Article, information complimentary every Thursday:

(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. I think we have kind of an interesting sequence of events here. We’re post-election in the USA. We have our lovely Venus in Capricorn now and we’re getting ready for Neptune to come out of a retrograde and go direct and will do so in the sign of Pisces, which I call Psychic Pisces. Neptune also rules the Third Eye.

Pardon. The cat has decided to work the computer here. Sorry for the noise. That was Hiroshi working the computer.

So Neptune, watery, psychic, underworld, going direct in Psychic Pisces, a lot of Third Eye activity building up for this.

Then we'll move into the Sun into Sagittarius which expands things a bit esoterically. Then in the US of course there will be Thanksgiving by the next time we do the Spirituality Article.

So there is a lot going on. And I'm going to say, even now the influence of that New Moon or that Full Moon that was bright is continuing into the next New Moon. So lunar activity as it affects the human body physically and emotionally is still going to be very strong so watch out for odd behavior.

Alright Dear Ones. As always, thank you and my love to you.
