(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. Now at Thanksgiving I generally comment about thanking the native peoples around the world and really work with giving thanks for all of the blessings and to express gratitude.

This year I am going to add to that: "Thanks for family dynamics." And this is a very important kind of family dynamic as one cat growls at another cat sitting on the desk here and they're all friends. So you're getting maybe a picture a little ahead here of what we're entering into. We have

the Moon moving into Scorpio over the weekend so Saturday, Sunday, Monday dealing with healing energy and the healing dynamic.

And before that it's in Libra which can bring some balance and some beauty and some graciousness to the table.

I'm going to say really your focus is "Thanks to your Self, your Higher Self, and to all aspects of the Self", and then "Thanks to the family dynamics that you agreed to in this incarnation". And really sit with that and see what comes forth. I think that will be a very good exercise.

In most family dynamics, I see a little bit of raking back and forth over this particular holiday. So maybe a bit challenging in different ways than it usually is. So Peace and Harmony and Graciousness as much as you can practice it.

Alright Dear Ones. As always, thank you and my love to you.
