(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. Well, **now** we’re getting ready to move into 2017 which I have called “The Year of Surprises and Changes” and, of course, you can make those positive by all means.

What we have happening is Uranus going direct. Uranus and your purpose are very closely connected and if you weren’t on purpose, your life might have gotten kind of rearranged during that time period. It’s been about a five month long retrograde.

And as it goes direct in the fiery sign of Aries, it can also ignite or almost propel you into a deeper sense of purpose or service. As generally Lightworkers are in service to Humanity, to the Animal Kingdom or to the Plant Kingdom, Mineral Kingdom, etc. We don't want to forget our Angelic Kingdom as well.

So just get ready to have it maybe propel you or fuel you in a direction. It could be a pleasant surprise and it could be a pleasant change as well.

Alright Dear Ones. As always, thank you and my love to you.

Djwhal Khul
