And here is Djwhal Khul’s latest Spirituality Article, information complimentary every Thursday:

(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. You know that Feminine Power, that I talked about last week, is really showing up in some surprising ways and I have talked about this year being full of surprises and changes. There certainly is a very swift undercurrent moving things so the surprises and changes will continue, the use of Feminine Power will continue.

And then we have the New Moon here coming with Chinese New Year and the fire rooster is another element that is going to really add almost like a wild fire in high winds literally. Then we're going to have Mars representing the Male Energy going into Aries followed by Venus moving into Aries. These all happen within one, to a week and a half, so within a ten-day span here and then Jupiter retrograde.

So the positioning of Saturn currently, then the fire rooster and then Mars and Venus both in Aries, a fire sign, and then we have Jupiter going retrograde.

So hold on to the reins and steer your wagon where you want it to go. As long as you're using conscious intent and not buying into fear, I do believe you will be not only all right but perhaps excellent.

Alright Dear Ones. As always, thank you and my love to you.

Djwhal Khul
