And here is Djwhal Khul’s latest Spirituality Article, information complimentary every Thursday:

(Channeling begins)

Djwhal Khul here. Tashi Delek.

Well, what I want to talk about this week is the importance of relationships and really that Love, mutual acceptance, some kind of cooperative flow and understanding is extremely important on a global level.

So my concern is relationships between different countries, different races, different religions and looking to come to a unified energy, or just come down to the common denominator, that the world is powered by good relationships, and that it is of extreme importance to have good relationships.

So perhaps your focus is reaching out internationally and reaching across any perceived barrier to make maybe a new friendship, or state your clear intent, wherever you happen to be on the planet and what kind of relationships you want with others around the globe.

Alright Dear Ones. As always, thank you and my love to you.

Djwhal Khul
